

Health Occupations Students of America

The Scioto County Career Technical Center, Chapter of Health Occupations of America, (HOSA), is a student organization whose mission is to promote career opportunities in health care and to enhance the delivery of quality health care to all persons.

Secondary Allied Health and Dental Assisting students are members of the local chapter. HOSA's goal is to encourage all health occupations instructors and students to join and be actively involved in a unique program of leadership development, motivation, and recognition within the field of health care.

HOSA officers are pictured at right, front row, left to right, Kaylee Chaffin, Anna Lott, & Morgan McCoy. Back row, left to right: Kylie Weeks, Amirah Dodridge, & Elizabeth Payne.

Business Professionals of America

The Scioto County Career Technical Center's Chapter of Business Professionals of America (BPA) recently elected local officers. BPA is a student organization whose mission is to contribute to the preparation of a world-class workforce through the advancement of leadership, citizenship, academics, and technological skills.

SCCTC Medical Office Management and Information Technology students are members of the local chapter. BPA is the leading organization for students pursuing careers in business, information technology and other business related career fields.

BPA officers are front row, pictured left to right: Allison Allard, Treasurer; Halli Kellemeier, Secretary; Jaelyn Cardenas, Historian; & Olivia Deems, President. Back Row, left to right; Cheyenne Miller, Treasurer; Lily Rister, Parliamentarian; Baylee Blankenship, Vice President; & Mikayla Robinson, Historian.

Student Council Officers Elected

Student Council officers have been elected for the 2022/2023 school year. Student Council members select the Senior shirt design, sell and deliver those to the senior students.

They participate in Community Service projects such as purchasing gifts for area children at Christmas and a soon to be announced project for area Veterans.

The Student Council also takes a trip to the Scioto County Courthouse and they meet with the County Commissioners.

SCCTC National Honor Society

Scioto County Career Technical Center National Honor Society held their annual induction ceremony on Tuesday, May 10th. This year we awarded two students with this outstanding achievement.

To be eligible a student must have a lab grade of an "A" for each grading period, a grade of "B-" or better in all other classes, no disciplinary actions, membership and participation in a school association, no more than three absences per semester and be nominated by their career technical instructor.

Pictured at above, left to right, Mrs. Sand, Advisor; Raven Walls, Medical Office Management and Anna Marie Elliott, Carpentry.

Message from the Principal

On behalf of the Scioto County Career Technical Center secondary staff, I would like to convey our sense of accomplishment and pride in the academic and technological opportunities we provide for our students.

The staff and administration at the SCCTC are committed to the continuous development and improvement of our educational programs that ensures the progress and success of students as they seek career based training, lifelong learning and sustained employment in their career field of choice. We are proud of what we do!

Josh Shoemaker
Principal
SCCTC

Scioto County Career Technical Center Looking Forward

We are proud of our student's achievements and support their continued success!

What's New

This is Mr. Walker's first year at the Scioto County Career Technical Center and is our Assistant Principal over Attendance. Mr. Walker is a 2007 Graduate of Portsmouth High School and a 2011 graduate of Bowling Green State University where he received a degree in special education. He taught special education Portsmouth City Schools for seven years and served as Assistant Principal for three years. He is married to his wife Heather and together they have three children, Adalyn, Lillian, and Mackenzie.

Miranda Fenton joins us from Wheelersburg Middle School where she taught Math for 16 years. Randi received her Bachelor in Mathematical Sciences with Adolescent/Young Adult Education Concentration from SSU in 2005. She graduated from Mary Grove College in 2009 with a Master in Art of Education. She also taught at Wellston City School in 2006. She joins us teaching Financial and Applied Math.

My name is Brooke Skeenes. I graduated from Shawnee State University in 2006 with a degree in Nursing. I have been happily married for 15 years to my husband Justin and we have 3 beautiful children. I also enjoy coaching Jr. High Volleyball at Wheelersburg. Prior to teaching in Scioto County I spent 7 years teaching at Greenup County Area Technology Center. This is my first year at Scioto County Career Technical Center teaching Allied Health as a satellite instructor at Wheelersburg High School and Portsmouth High School. I am excited to be a part of the team and feel blessed to be a part of the lives of so many amazing students.

Jessica Grever joined us this year from Sciotoville Community Schools. Jessica graduated from Shawnee State University with a Bachelors Degree in Mathematical Education in 2015. She received her first Masters Degree, also from SSU, in Mathematical Sciences in 2017 and began teaching College Credit Plus courses a Sciotoville. She became the Student Services and EMIS Coordinator at Sciotoville in 2020 and finished her Masters in Curriculum and Instruction from Ohio University. In the 2021-2022 school year she was the Director of Student Affairs, EMIS Coordinator, Student Services, and Advance Math Teacher at Sciotoville. Jessica is now an Adjunct Math Professor at Shawnee State University and is planning on completing her Masters in Education this Spring.

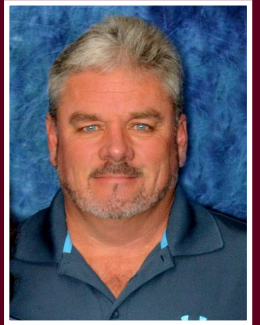

Our new Carpentry Instructor is Randy Dalton. Randy graduated from Valley High School and served in the United States Marine Corp. He is married to Melanie and they have two daughters. Randy has worked in the Construction Field for over 25 years and we are fortunate to have him share his experience with our Carpentry students.

This is Mr. Carver's 10th year teaching and his first year at the Scioto County Career Technical Center. His first 9 years of teaching was at Oak Hill High School in Jackson County. Mr. Carver graduated from Northwest High School in 2009 and graduated from Shawnee State University with a Bachelor of Science in Education in 2013. Mr. Carver enjoys fishing, watching football and coaching football. He is currently in his 14th year coaching. He has been the Head Coach at Oak Hill High School and assisted at Oak Hill and Portsmouth West High Schools. He is currently an assistant football coach at Valley High School. He is excited to continue his teaching career at Scioto County Career Technical Center.

Mr. Leroy Wells is teaching our new Building Property Maintenance program at Green Middle School and Green High School. Mr. Wells graduated from Eastern High School and retired from Ohio Department of Correction and Rehabilitation. After his retirement he has been busy building houses and pole barns. He is married to Teresa and has one son and one granddaughter. In his free time he officiates Volleyball, Basketball, and Softball. We are pleased to welcome him to our staff.

CTC Students Making a Difference

The picture at left is the mobile hygiene unit built by our Industrial Maintenance and Building Property Maintenance programs. CAO was able to help the people of Wolf Coal, KY after 8.5 inches of rain fell in 45 minutes. The creeks usually have 4-6 inches of water and the crest in some areas was 43 feet. Really Nice to see the CTC's work being used for a great cause.

The Carpentry students, at the request of the Joseph Spencer Chapter of the Daughters of the American Revolution, built a Little Library to be mounted at the Clay Township Fire House. The Little Library is filled with books for all ages and the public is encouraged to take advantage of this resource. Just another way CTC students are making a difference in our community.

The Allied Health students sponsored a Red Cross Blood drive on this past September 21st. Students and staff donated 54 units of blood. The students sponsor three blood drives a year and the next Blood Drive will be on November 29th.
