The EDC may review the evaluation tool for changes that are necessitated either by law or by the use of the tool. However, the changes cannot occur until the end of the school year unless otherwise dictated by law. All recommended changes must be approved by the Board and the Association. Teachers must be informed of all approved changes at the first teachers' meeting after the changes are approved.
2. The EDC will use the first in-service day to familiarize the teaching staff on the new evaluation tool and how it will be used to evaluate them for the upcoming year. Teachers employed after this time will, not later than thirty (30) days after initial employment with the District, be provided with information concerning the evaluation tool and its use by their immediate supervisor.

- B. Prior to the beginning of each observation, the evaluator and the Bargaining Unit Member will conduct the pre-observation conference no earlier than one day prior to the observation. After the completion of each observation the bargaining unit member and their immediate supervisor will complete the post-observation conference no more than two days after the observation. Both the Bargaining Unit Member and evaluator must fill out and sign the Teacher Observation Log Form indicating the time the observation began and the time the observation ended. The final formal evaluation will be completed and presented to the teacher by May 10. Both the teacher and evaluator shall sign and date the evaluation form. The teacher's signature indicates only that he/she has received and read the form; it does not necessarily indicate that he/she agrees with the evaluation, comments and ratings.
- C. If a bargaining unit member receives a Most Effective rating on their final summative rating, he/she will complete their self-directed growth plan.

- D. If a bargaining unit member receives an Above Average, Average, or Approaching Average rating on their final summative rating, he/she will, in collaboration with their evaluator, create their growth plan.
- E. If a bargaining unit member receives a rating of Least Effective on their summative rating, they will be given their growth plan by their evaluator.
- F. If a bargaining unit member receives an ineffective or developing rating in performance and/or student growth, the evaluator will provide the teacher with a plan consistent with the Teacher Evaluation Policy (page 43-45).

The Board will provide two additional days of relevant training for the teacher that is targeted to the deficiencies identified in the teacher's evaluations. Any additional required days of relevant training for the teacher that is targeted to the deficiencies identified in the teacher's evaluations will be at the teacher's expense. He/she may also be required to work with a district appointed coach.
 - 2. The district appointed coach shall not have an evaluation role. Other than the notation serving as the coach, the activities will not be part of the coach's evaluation. He/She will not be requested or directed to divulge information obtained during discussions with the teacher.
- G. Evaluation methods and techniques other than classroom observations may be used in assessing job performance, including but not limited to informal observations, supervisory input, and classroom walkthroughs that are noted during the normal school day.
- H. If a bargaining unit member receives an ineffective rating on two out of the last three of his/her final summative evaluation ratings, that will be considered "just cause" under Article 6.

- B. A walkthrough is no less than five (5) minutes and no more than fifteen (15) minutes in duration.
- C. After each walkthrough, the walkthrough form will be completed and a copy given to the teacher. The goal is to identify and implement effective instructional practices and provide specific measures for improvement to teachers who need additional support. If deficiencies are noted, a formal observation process may be initiated as part of the existing evaluation process.
- D. All monitoring or observation, including walkthroughs, of the work performance of a teacher shall be conducted openly.
- E. Walkthroughs will only be performed by the bargaining unit member's immediate supervisor, high school principal, and/or superintendent and will be performed periodically.
- F. No teacher will have a disproportionate number of official walkthroughs by their immediate supervisor unless the supervisor has provided written documentation to the teacher about performance concerns, or they have had deficiencies noted on other walkthroughs and have been placed on an improvement plan due to these deficiencies. First year teacher's and teachers who have an overall summative rating of ineffective or developing may have more official walkthroughs than more tenured teachers in order to assist the teacher in their development. This language shall in no way restrict an administrator's right to perform unofficial walkthroughs of classrooms in the ordinary course of their supervisory duties.
- G. Within thirty (30) days of the evaluation conference, the employee shall have the right to make a written response to the evaluation and to have it attached to the evaluation report to be placed in the employee's personnel file. A copy signed by both parties shall be retained by the employee.

EXAMPLE

When we hire a vocational teacher, such as a carpentry instructor, we have to look at their work experience years, teaching experience years, military years and work experience to meet Ohio Certification requirements.

For any one (1) year, credit will not be granted for salary schedule purposes in more than one (1) of the following categories: teaching, military, related work experience or educational preparation.

In any circumstance the amount of experience from military, previous teaching experience or non-teaching related work experience will not exceed 12 years.

The maximum number of longevity steps allowed for non-teaching related work experience shall be 5.

An example for Carpentry Instructor would be:

- 0 years teaching experience

 - 13 years related work experience (non-teaching)
 - -3 years for certification/licensure requirements (Rio Grande)
 - This leaves a total of 10 years related work experience (non-teaching)
 - 2 years of related work experience equals 1 year longevity step
 - 10 years divided by 2 years equals 5 longevity steps (5 is the maximum number of longevity steps)
 - Therefore, this person would be placed at Class I, Step 5
- If a person was a vocational substitute teacher, they would have to sub 120 days within a school year to equal 1 year prior teaching experience.
 - An academic teacher coming straight out of college with no teaching experience would be placed at Class I, Step 0.

An example for a Social Studies Instructor would be:

- Bachelor's degree with a 2-year provisional license
- 2 years substitute teaching (120 sub days within a school year)
- 3 years teaching elsewhere
- 5 years total teaching experience

- Therefore, this person would be placed at Class I, Step 5

For purposes of this Agreement, a “satellite instructor” shall be defined as any bargaining unit member who is assigned to work in any building operated by an entity other than the Board.

- 30.3 1. The work day shall consist of nine (9) forty (40) minute periods per day. (Periods may be combined to create eighty-three (83) minute blocks where block scheduling is used.) the bargaining unit member receives the compensation set forth in Paragraph 30.4. Satellite instructors assigned to home schools will follow the time schedule of their assigned building.

2. Each Bargaining Unit Member will have one planning period and one duty-free lunch period. Each Bargaining Unit Member may be assigned six (6) periods or three (3) blocks of class and/or duty assignments per day. Bargaining Unit Members, upon request of their direct supervisor, principal, or superintendent, who cover another teacher's classroom during their planning period will be paid an additional \$25 per covered period. In order to receive this extra pay, Bargaining Unit Members will turn in an extra pay form monthly to the Treasurer on a form created by the Treasurer's office. All forms must be turned in to your immediate supervisor for the previous month by the fifth of each month. No pay request for the previous month will be accepted after the fifth of each month.

Bargaining Unit Members who have 332 minutes of assigned instructional duty per day will receive an additional salary amount of \$2,292 per semester for 2023-2024 (\$2,361 for 2024-2025 and \$2,432 for 2025-2026). A bargaining unit member will not qualify for this payment under Article 30.4 if the member has a planning period.

2. Bargaining Unit Members who have 292 minutes of assigned instructional duty per day will receive an additional salary amount of \$1,146 per semester for 2023-2024 (\$1,180.50 for 2024-2025 and \$1,216 for 2025-2026). Make-up days shall be made up without additional pay, with the further understanding that any calamity days allowed within the context of the law, within a given school year, will not be made up.

There will be five full days that can be missed without any makeup day. Once that full day has been exhausted, there will be three (3) "blizzard bags". Any days missed past those four (4) days, will be made up on a one-to-one basis (one day missed = one make up day) according to the schedule of makeup days passed by the Board in their April Board meeting.

The excess hours for the school year will be utilized for calamity days until there is less than one (1) instructional day left, once that threshold has been met there may be three (3) blizzard bags may be utilized. Any hours missed past the state minimum hours will be made up one a one day-to-one day basis according to the schedule of make-up days approved by the SCCTC board of education. Make-up time will be calculated to include hourly delays that accumulate to create full make-up days. If there is a fractional day to be made up it will be calculated as a full day.

For example:

- Current required hours are 1,001.
- Current instructional time per ODE for the SCCTC school year is 1,030 hours leaving an excess of 29 hours.
- Current instructional day is 5 hours 40 minutes.
- This leaves us with 5 instructional days and an additional 37 minutes of another day or 5.11 days in excess. When we fall below 5 hours and 40 minutes of excess time, the next full school day missed we may begin to use the blizzard bags.
- After the blizzard bags and the SCCTC falls below the 1,001 hours, we will make up the time in full day sessions that have been approved as make-up days by the SCCTC board of education.

In the event that a pandemic or epidemic causes school shutdowns, closures, or delays, this Article 30.5 will not prevent SCCTC from making necessary changes to align with laws and orders set forth by governmental authorities.

- 30.6 All bargaining unit members will be compensated at their daily rate (prorated by hour) for any days required in excess of 183 days. 50% on the last regular pay of December and 50% on the last regular pay of May, if assignment and/or supplemental project is successfully completed as determined by the Superintendent.

*Additionally, as monies allows, the Association will work with the Professional Development group to determine persons to be involved in the activities.

**75% attendance will be required to receive supplemental pay for EDC, Professional Development or LPDC and the Teacher's Association reserves the right to replace anyone with an EDC, Professional Development or LPDC supplemental contract who drops below 75% attendance.

***FFA is considered fulfilled with a minimum of three career development events.

Positions and contracts are specifically contingent on the activity/season occurring. No payment will be made if the activity is not held. For partial completion of duties, the stipend will be prorated based on the portion of duties completed by the individual advisor as determined by the principal.

39.2 If, in the future, the Ohio Department of Education mandates extended time for a position, the number of days will be allowed to the extent of the mandate.

39.3 Extended time will be paid at the per diem rate according to the following schedule:

Technology	1 person per diem @ 20 days
Special Needs	1 persons per diem @ 20 days
Guidance Counselors	2 person per diem @ 20 days
Testing	1 person per diem @ 20 days
Job Placement	1 person per diem @10 – 20 days

A request for additional days may be submitted in writing at least fifteen (15) calendar days before a subsequent regular meeting of the Board, in which case the Superintendent (or designee) will notify the Bargaining Unit Member as to whether the request was approved within seven (7) calendar days of such subsequent meeting.

(Extended time for days worked on or after July 1 will be paid on the basis of the next year's salary schedule).

ARTICLE 40: LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

- 40.1 A Local Professional Development Committee composed of seven (7) members shall be established with District-wide responsibility to perform the functions required by Section 3319.22 of the Ohio Revised Code and the administrative rules adopted under the statute. Three (3) members shall be appointed by the Superintendent, and four (4) members shall be selected by the Association. Members shall serve two-year terms, except that the initial term of one (1) member appointed by the Superintendent and one (1) member selected by the Association shall be for one (1) year. Vacancies will be filled by the Superintendent or Association, whichever applies. The Committee shall determine the frequency, time and place of meetings.

The Committee will set the criteria for the approval for Individual Professional Development Plans (IPDP's) and will establish procedures for carrying out the Committee's duties as prescribed in law and rules.

Supplemental contracts shall be issued to all Committee members from within the bargaining unit; the method and amount of compensation for Committee members is to be worked out by the Board and the Association.

ARTICLE 41: ATTENDANCE INCENTIVE

- 41.1 Bargaining Unit Members may become eligible for an attendance incentive if the following parameters are met:
- Any Bargaining Unit Member who has used zero (0) days of sick leave for an entire nine (9) week period will receive an attendance bonus of \$225.00 for that nine (9) week period.
 - Any Bargaining Unit Member who uses six-point seven five (6.75) hours or less of

sick leave for an entire nine (9) week period will receive an attendance bonus of \$150.00 for that nine (9) week period.

Each nine (9) week period stands by itself, with no “carry-overs” or “carry forwards.” Use of non-paid, deduct days during a semester will eliminate that individual from eligibility for the attendance incentive. Only those Bargaining Unit Members who have been full time employees for an entire 9 week period may qualify for attendance incentives. Bargaining Unit Members may qualify for only one level of reimbursement per quarter.

This proposal addresses sick leave only and does not count toward 1 day (6.75hours) of bereavement leave. Incentives would be paid according to the following schedule:

- 1st nine weeks: Last regular pay of October
- 2nd nine weeks: Last regular pay of December
- 3rd nine weeks: Last regular pay of March
- 4th nine weeks: Last regular pay of May

NOTE: Attendance incentives are not to be included on the Salary Schedule. All leave forms must be submitted by the end of the corresponding nine (9) week period for the person to be eligible for this incentive.

ARTICLE 42: FAIR SHARE FEE

- 42.1 The Board shall deduct from the pay of Bargaining Unit Members who elect not to become or to remain members of the Association a fee for the Association’s representation of such non-members during the term of this Agreement. Except, the Treasurer shall immediately cease deducting pay from Bargaining Unit Members who submit a request in writing to the Treasurer to cease such deductions.

The above proposed language is necessary in order to comply with the U.S. Supreme Court’s ruling in *Janus v. AFSCME* (2018). In that case, the U.S. Supreme Court held that an employer is required to immediately comply with an employee’s request to cease payments to an association. Failing to comply with such a request could violate the employee’s First Amendment right to freedom of association.

- 42.2 Notice of the amount of the annual fee, which shall be equal to 100% of the unified dues of the Association, shall be transmitted by the Association to the Treasurer on or about September 15, of each year during the term of this Agreement for the purpose of determining amounts to be payroll-deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.

42.3 Schedule of Deductions

Payroll deduction shall commence on the first pay date which occurs on or after January 15th annually. In the case of employees newly hired after the beginning of the school year, the deduction shall commence on the first pay date on or after the later of:

- a) Sixty (60) days of employment in a bargaining unit position, or January 15th

42.4 Transmittal of Deductions

The Board agrees to accompany each transmittal with a list of the names of the bargaining unit members for whom deductions were made, the period covered, and the amount deducted for each.

42.5 Procedure for Rebate

The Association represents to the Board that an internal rebate procedure has been established in accordance with

Section 4117.09 (c) of the Ohio Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each Bargaining Unit Member who does not join the Association and that such procedure and notice shall be in compliance with all applicable state and federal laws.

42.6 Entitlement to Rebate

Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the Association.

42.7 The Union shall indemnify and hold the Board harmless against all claims, demands, suits or other forms of liability that may arise for by reason out of any action taken by the Board to comply with this Article and the Associations fair share provision, calculations and notification procedures.

ARTICLE 43: RETIRE/REHIRE

43.1 This Article governs the terms and conditions of employment of any retired teacher whom the Board chooses to regularly employ in a position that falls within the

Except as otherwise specified below, any such employee will become a bargaining unit member upon employment and be subject to the provisions of this Agreement.

The Superintendent in connection with the Association President will determine the step placement ranging from 0 to 5. Retired/rehired employees will advance one step every two years. When a retired/rehired employee would reach Level 1, Step 5, the employee could not advance any additional steps.
- 43.3 The employee will receive a one-year limited contract of employment (if employed after the start of the school year, such contract will be for the remainder of that school year). If subsequently reemployed, the employee will be awarded successive one-year limited contracts. In no event will the employee qualify for a continuing contract or a multi-year limited contract.
- 43.4 Neither the evaluation procedures in Article 8 of this Agreement nor the procedures appearing in Section 3319.111 of the Ohio Revised Code shall apply to the employee. The Board may choose to evaluate the employee but is not required to do so. Any limited contract received under 43.3 above will automatically nonrenew at the end of its term. The procedures appearing in Section 3319.11 of the Ohio Revised Code Section, including the post-nonrenewal procedures appearing in Section 3319.11(G), shall not apply to any such contract nonrenewal.
- 43.5 The employee will be credited with zero (0) years of seniority and shall not accrue seniority for any purpose.
- 4.6 The employee shall be eligible for a supplemental contract at the discretion of the Superintendent, but will in no event displace a qualified bargaining unit member from a supplemental position.
- 43.7 The employee shall be eligible for all leaves under this Agreement except that in no event will the employee be awarded a sabbatical leave.
- 43.8 The employee shall not be eligible to participate in any type (health, dental, vision, life) of insurance fringe benefits generally accorded to other bargaining unit employees if the employee can obtain that type of insurance coverage through STRS. If, STRS policy, the employee is precluded from obtaining such coverage through STRS, the employee may

then participate in that particular type of Board-provided insurance on the same terms as apply to other bargaining unit employees.

- 43.9 The employee will in no event qualify for severance pay under Article 15 of this Agreement. The employee will in no event qualify for tuition reimbursement under Article 28 of the Agreement.
- 43.10 The provisions of this Article supersede and prevail over any inconsistent terms that may appear elsewhere in this Agreement or in any part of the Ohio Revised Code.
- 43.11 It is mutually understood that, if the employee is being considered for employment in the same position from which he/she retired, the public notice and hearing provisions of Section 3307.353 of the Ohio Revised Code apply.

ARTICLE 44: PROFESSIONAL ORGANIZATION MEMBERSHIPS

- 44.1 Each bargaining unit member may request that the Board pay for membership in one union or professional organization, other than the SCCTC Teachers Association. The union or professional organization must be directly related to the bargaining unit member's job duties at SCCTC. At the sole discretion of the Superintendent, the Board will pay the requested dues.

ARTICLE 45: HOME INSTRUCTION

45.1 Teachers who are providing home instruction will be paid \$25.00 per hour. Home instruction teacher assignments must be pre-approved by the principal and is not included in the regular school calendar or regular workday. Home instruction hours will be considered on a case-by-case student need. The home instruction hours will include travel time but mileage cost will not be reimbursed.

ARTICLE 46: IMPLEMENTATION AND DURATION

46.1 This Agreement shall become effective at 12:01 a.m. on July 1, 2023 upon contract approval by the Association and the Board, and it shall remain in effect through midnight, June 30, 2026.

46.2 During the duration of this Agreement, the Board shall maintain all terms, conditions, and benefits of employment not less than the level in effect as of the effective date of this Agreement. This Agreement shall not be interpreted or applied to deprive Bargaining Unit Members of advantages heretofore enjoyed unless otherwise expressly stated herein.

46.3 If any provision of this agreement or any application of this contract to any bargaining unit member or group of bargaining unit members shall be found to be contrary to law by a court of competent jurisdiction, then such provision or application shall not be deemed valid and subsisting, but all other provisions or applications shall continue in full force and effect. The Agreement itself will remain in full force and effect for its duration; however, the parties will meet within thirty (30) days for the purpose of negotiating only the provision(s) found to be contrary to law. If the parties fail to reach agreement over the affected provision, the statutory dispute resolution settlement procedure shall be utilized to resolve the dispute.

46.4 This Agreement may be added to, deleted from, or otherwise changed only by negotiations and amendment properly signed and ratified by each party, or by an Association agreement.

46.5 Should there be a conflict between this Agreement and any Board policy or practice, the terms of this Agreement shall prevail.
