

# SCIOTO COUNTY CTC NEWS

---

November 2023  
Issue two

Edition Fifteen

---

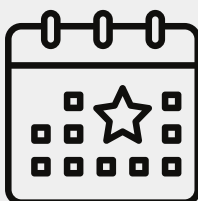

Upcoming:

11/22-24: Thanksgiving vacation - no school

---

A Brief History of Our School: The Scioto County Joint Vocational School District began accepting high school and adult students in 1971. In 2007, the district changed its name to the Scioto County Career Technical Center. Students can choose from 17 secondary programs and 14 post secondary programs. In addition, the district sustains 14 secondary satellite programs located at our associate school districts.

# Program Spotlight

## **Auto Body**

*SCIOTO CTC*

## **Interview-** **Landen Henderson**

**Interview:**

**What was your second choice  
of program;  
“electricity”**

**What project are you working  
on currently;  
“Changing 4wd and checking  
fuses”**

**What is your favorite thing to  
work on;  
“Painting”**

The Auto Body program teaches students all things about body work and prepares them for a job in the trade. Students are taught cleaning of vehicles, welding, motor work, painting, refabrication and not only cars but boats and other motor powered vehicles as well.

# Things that maybe you didn't know about the CTC

## Original Logo

Speaking with an individual who was on the committee to change the previous logo. The new logo was adopted in the 1980's. It was intended to let each person interpret what it meant to them and what it was. It can be taken as a pathway to careers, success, or your future etc.

current logo

The official colors of the CTC are  
maroon and grey

According to the Scioto county  
auditors site the main campus sits on  
52.71 acres

The Pond was dug  
to resemble the  
state of Ohio
