BEST OF LUCK TO THE CLASS OF 1975

As editor of TECHNOS, I would like to take a moment to thank the many people who helped to make this book possible.

To Ginny Cook who recommended me for the position of editor, to Arnold McCoy who let me go ahead with it, to Larry Estepp for giving me a free hand and putting up with me, to Kathy Adkins and Maurice Weipert for helping me get advertizing, to the rest of the staff for your valuable time, and to everyone who took the time to ask me how they could help, many thanks.

I hope you have enjoyed our book.
