TEACHER OF THE YEAR 1984

ED STREHLE RECEIVING AWARD FROM TOM REISER, SUPERINTENDENT

CLASSIFIED EMPLOYEE OF THE YEAR

DOLORES YELLEY RECEIVING AWARD FROM TOM REISER, SUPERINTENDENT

Dr. Alberta Luther, BOE Supervisor 1973-1983

You are a child of the universe, no less than the
trees and the stars.
And whether or not it is clear to you,
no doubt the universe is unfolding as it should.

Therefore be at peace with God,
whatever you conceive him to be.
And whatever your labors and aspirations, in the
noisy confusion of life, keep peace with your soul.

With all its sham, drudgery, and broken dreams,
it is still a beautiful world.
Be careful. Strive to be happy.

— Max Ehrmann (Desiderata)

A Colorado Blue Spruce
was planted on October 31,
1983 on the east side of
Taylor Hall to honor
Dr. Alberta Luther for her
years of service to Scioto
County Joint Vocational
School.

We would like to thank her
for a job well done, and to
wish her much happiness.

1983-84 Was the final year in the teaching career of two members of the Scioto County Joint Vocational School staff. Margaret Lacy has been a teacher at the vocational school since the opening of the school in 1971 as a Cooperative Office Education coordinator and later as teacher of the junior Accounting and Computing Program. William Brown has served as senior Electronics instructor for eight years. Both of these people have been excellent teachers, and it is the wish of all the vocational school staff and students that they find satisfaction and enjoyment in their future endeavors.

SHANE PHIPPS

1966-1983

Though your smile is gone forever
And your hands we cannot touch
Still we have so many memories
Of the one we loved so much
Your memory is a keepsake
In which we'll never part
God has you in His keeping
We have you in our hearts!

FAYETTA GREER

1933-1983

Someone who took time to think
of other people's needs
And warmed so many hearts
with gentle words and thoughtful deeds,
Someone who sincerely tried
to understand and sympathize
Added something very special to the world.
Someone who could always chase
a little cloud away
And add a bit of fun,
a ray of sun to every day,
Someone who was so glad to share,
so glad to help and give and care
added something very special to the world.
